SPEAKER'S BIO

TERRY WOLFE is a 26 year veteran of the after fabrication hot dip galvanizing industry. He has worked at Voigt & Schweitzer (V&S) Galvanizing for all of those years. The company started with 1 plant in Columbus, Ohio and now has plants in New Castle, DE, Detroit, MI, Jonestown, PA, Perth Amboy, NJ, and Taunton, MA. There is presently a plant under construction in Memphis, TN.

They have two fabricating facilities in Canton, OH and Muskogee, OK. Terry has served in various positions with V&S: sales, marketing, technical, and currently VP.

V&S are members of the American Galvanizers Association where Terry has served in the capacity of Great Lakes Marketing Chairman and Membership Services Chairman. He is presently is in his second term on the Board of Directors.

Last year Terry received the Daniel Hubble Award for life long service to the Association. He was recognized for his efforts in educating and promoting the use of HDG and corrosion protection. He is a Life Time Achievement Award winner for the Association in 2012 for project performances of structures over 20 years in service.

He is a graduate of The Ohio State University and has been married for 38 years with two children and two grandchildren.

ABSTRACT

Hot Dip Galvanizing-A core presentation of not only the advantages for steel protection, but economics, and environmental conservation. Terry will present the how and why of galvanizing and the advantages of its use.

PRESIDENT'S MESSAGE

Dear PSCT Members,

I'm honored to be serving all of you as President during the 87th year Anniversary of the PSCT. Last year we had 60 active members and had great attendance at our monthly meetings. We will be offering a special incentive drawing at the October 13 meeting. If your membership for the 2014 - 2015 year is paid in full by September

30, you will be eligible for the incentive drawing worth \$87. The winner of the incentive drawing does not need to be present to win, but we would love to see you at the meeting.

Just a reminder, there is still time to sign up for the September 11th Golf Outing at Cedarbrook Golf Course. As you know, the golf outing is our main fundraiser for the Hiram P. Ball Memorial Scholarship.

Promoting educational scholarship to undergraduate students has been and continues to be a prime objective of the PSCT. Please stay tuned throughout the year to hear updates regarding the requirements for the PSCT Scholarship. If you are interested in participating in the Scholarship Committee please contact Julie Glover at jglover@kta.com.

I am happy to announce that we have several speaker commitments and an exciting line-up of presentations for the coming year, but we are still looking for a few suggestions on presentation topics or speakers. Please consider sharing your expertise at any of our meetings. To start off the year, Terry Wolfe of V&S Galvanizing will be presenting at our September 8th meeting on "Corrosion protection with Zinc."

Also, I'd like to thank our new board members who have volunteered to support our 2014 - 2015 year. Those members are: Jim Wasik: Director at Large, Christina Marlier: Vice President (President Elect), Kenneth Cutler: Secretary, and Mark DePasquale: Treasurer. I owe colossal thanks to the 2013 - 2014 board including Cindy O'Malley for her commitment last year as President, Karen Hollerz as Secretary, Christina Marlier as Treasurer, Valerie Sherbondy as Representative to the ACA Society, Gary Balint - Past President 2012-13 and Peter Chakos as Director at Large.

The first meeting this year is scheduled at Domenico's Ristorante in Cranberry Township. I look forward to seeing you there.

Chrissy Stewart

PSCT President 2014 - 2015

WEBSITE

Please visit <http://paintsociety.org> and view the website, including the current newsletter, President's message, photos from the golf outing and more. Don't forget you can RSVP and pay for the upcoming dinner meeting from the home page of the website! You can also renew your membership directly online.

MEMBER HIGHLIGHT:

MARK DEPASQUALE - PSCT TREASURER

Mark has been involved in the coatings industry since March of 2011. During this time he has been an employee of PPG Industries at their Springdale R&D location. His experience has been with water based Architectural Coatings, starting with interior coatings and moving on to exterior use coatings. This year will mark his fourth year as a PSCT member. Outside of work he enjoys disc golfing in the Spring, Summer & Fall and snowboarding in the Winter.

MEMBERSHIP DRIVE

It is time to renew your dues for the 2014 - 2015 membership (July 1 - June 30) year for the Pittsburgh Society for Coatings Technology. This year will be the 87th Anniversary of the PSCT. Our society was founded in 1927 as "The Pittsburgh Paint and Varnish Production Club" and has changed names a few times. Our objectives of promoting the welfare and education of the members through exchange of emerging technologies have not changed. Also, promoting educational scholarship to undergraduate students remains a prime objective of the PSCT.

We made it through our first year with the new and improved website (www.paintsociety.org). The website not only relays information about the Society and upcoming events but also offers members an easy way to renew membership and sign up/pay for meetings ahead of time. (There is a \$5 convenience charge added to PayPal payments)

As an added incentive to renew your membership, we are going to award \$87.00 to a paid up member at the October 13th meeting. Please have your dues paid on or before September 30th, 2014 to be eligible.

Sincerely, Britney Grabigel

PSCT Membership.

grabigel@ppg.com

ADVERTISEMENT REMINDER

We would like to thank all the suppliers who have advertised with us in the past and hope we can count on your continued support. If companies want their advertisement displayed in the PSCT monthly newsletter, please contact Mark DePasquale at treasurer@paintsociety.org.
